Our Environmental Commitment

Minimize Impacts...Continual Improvement...Stewardship
Pollution Prevention...Maintain Compliance...Conserve Resources & Energy
Waste Management...Recycling...Preparedness...Follows AFD 90-8

Environmental Basics

All personnel operating at Gulfport CRTC are responsible for:

- Adhering to environmental protection standards
- Incorporating environmental control processes into daily activities
- Completing environmental-related training
- Reviewing Gulfport CRTC Environmental Commitment Statement
- Continually improving the Environmental Management System

**Environmental Protection Depends
On You!**

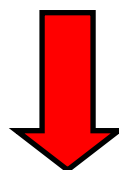

See a spill. Report it.

Check out the *Spill Action Card* located in all shops for spill response and notification information.

Utilize VEMO (Virtual Environmental Management Office)

- Environmental Plans, Permits, Shop Checklist...
